League FAQs

When are your leagues?

We have 5 separate leagues throughout the year.

Winter: January - March, Spring: March - May, Summer I: May - July, Summer II: July - September, Fall: September - December

I am new to the area and want to get on a team.

What is the best way to connect with other players?

You can create an account on our Bracketpal volleyball software and add yourself to the "sub list." You can also join our Capt'n Bill's Volleyball community page on Facebook. And you can attend our volleyball socials, which are offered every new league.

My team played last league. Can you use the same roster?

You will have to enter a new roster for each league but Bracketpal will list players you have previously played with so it is easy to set up your roster each league.

Are your leagues coed?

Yes, all except the winter league and King of the Beach & Queen of the Beach

How many people can I have on my roster?

2 person - 4 players, 4 person - 8 players, 6 person - 12 players

League FAQs

Can I sign up as an individual?

Sign ups are by team only. If you don't have a team and want to play see above.

Do you require our team to have matching shirts or uniforms?

No, this is completely up to the team to decide. Some teams are sponsored by businesses that provide shirts. Otherwise, dress is athletic gear.

How old do I have to be to participate in a league?

If a parent is playing on the team with the child, it is the parent's discretion to the age the child should play.

Every player must sign a waiver and parents are required to sign for all children under the age of 18 years old. If the parent is not playing on the team, the child must be 16 years old.

Is there a grace period to submit the roster?

Captains have to submit their roster before the start of the league. Captains can make changes to their roster throughout the league but, players must play 2 weeks to be eligible for tournament week.
